Parents Please Note:

Additional Supplies may be required. You may be given a list of supplies from each teacher at Open House or beginning of school. Please remember pens run out of ink and notebook paper supplies are depleted quickly. Please check with your student periodically throughout the school year to see if he/she needs school supplies. They may need additional supplies after school begins and as the second semester begins. This will keep them from receiving repeated infractions.

Special Note

The standard Bible used at Humble Christian School is the King James Version. Other versions are allowed for Bible study, however, **all memorization will be ONLY from the King James Version.**
