## **GENERAL INFORMATION**

### **VISION**

Humble Christian School wants to be recognized as the premiere Christian school in the area for developing well-prepared champions for the faith who impact the world for Jesus Christ.

### **MISSION STATEMENT**

The purpose of Humble Christian School is two-fold. First, as a ministry of the Lord Jesus Christ, we provide the opportunity for a quality Christian education and strive for excellence in spiritual, academic, social, and physical development. Secondly, because every student is designed by God for a specific purpose in this life, we seek to assist parents in molding character and training Godly leaders who will make an impact on the people they touch for Jesus Christ.

### **GUIDING PRINCIPLES**

- Seek God's truth and righteousness first and all these other things will be added
- Seek only God's glory in all things
- Non-denominational and grounded in the basic tenets of the Christian faith
- Do not favor one of God's children over another
- Keep tuition affordable for a wide range of income levels
- Maintain independence from a church or supporting organization
- Impact the lives of as many children as possible without sacrificing quality
- Maintain strong financial health
- Maintain high level of parent involvement

### **MEASUREMENTS OF SUCCESS**

- Graduates have profoundly Christian worldview - All students will be taught Old and New Testament doctrine, practical everyday application of scripture and a basic understanding of various other faiths.
- Graduates openly share their faith and impact others for Jesus Christ - Plan opportunities for students to give their testimony. This would be accomplished in school with younger students, and with their own peers. Also, plan opportunities for students to hand out tracts at school functions and/or other areas of the city that would be appropriate.
- Graduates excel in academics - Assess how graduates performed on national college entrance exams compared to other graduating seniors. Provide a strenuous and challenging curriculum that will produce a well-rounded and educated student.
- Graduates have strong biblical knowledge and are able to defend and explain their faith in a hostile culture - Strong biblical and thorough instructions to help students understand the importance of the Word of God in their lives. Regular evaluation through oral essays to determine if students can verbally defend what they believe. Also frequent evaluation through testing to determine if students have mastered what they believe. They also need to be exposed to beliefs of most common religions they face in our society.
- Graduates go on to attend major colleges - Chart graduates applications to any and all colleges. Through the directions of guidance counselor, give students the best available data to colleges that best fit their needs.

- Alumni come back to support the school with time, finances and their own children - Develop an alumni booster club and plan activities. Give alumni reasons and opportunities to contribute to their school. Also, develop a program that would involve grandparents that would allow them to volunteer their time and resources. Communication would be accomplished through newsletters, emails, personal notes and various other means of communication.

## **EDUCATIONAL PHILOSOPHY**

Education at Humble Christian School is approached from a Biblical perspective that recognizes the sovereignty and authority of God. Attendant with this belief are a number of truths affirmed by the school:

- God is transcendent, is spirit, and always acts in accordance with His loving and just nature. In addition, in His Word God places an eternal emphasis upon life. (Romans 11:36, II Corinthians 4:18, I John 2:15-17)
- All humans, including children, are created in the image of God and have unbounded potential to mirror the character of Jesus Christ. Further, man is born with a sin nature that has marred, but not ruined, God's image in man. Finally, we believe that man's greatest need is redemption through Jesus Christ and not education. (Genesis 1:27, Psalm 8:3-6, Romans 3:23, Jeremiah 17:9)
- Jesus Christ reflects truth: truth about the nature of God, truth of man's need to be rightly related to God, and truth about the world He created. (John 14:6, John 17:7, Matthew 7:24-27, Psalm 19:1, I Corinthians 2:15, John 8:26, II Timothy 3:16)
- The Bible is inerrant and authoritative. Because God both created the universe and appointed the writing of Scripture, no academic truth (man discovered truth) can rightly be in conflict with God's Word.
- Although man may not perceive truth in particular circumstances, truth is unchangeable and not relativistic.
- Biblical education focuses on what a person becomes rather than on what he knows. Therefore, knowledge ought to be primarily pursued as the basis for the development of wisdom and character. Further, the end of education is not the acquisition of status, but to glorify God and fulfill His mandate to subdue and have dominion over God's creation.
- Education is the prerogative and responsibility of parents. The Christian school is in partnership with the home to provide support and assistance in shaping a Christ-like view of truth and reality.

These beliefs work their way into every aspect of the education offered at Humble Christian School.

## **STATEMENT OF FAITH (All scripture comes from KJV of the Bible)**

All Scripture is verbally inspired as originally written and therefore infallible and inerrant (2 Timothy 3:16-17; 2 Peter 1:21; Matthew 5:18; 1 Corinthians 2:13).

The Bible is the Word of God. We cannot accept the misleading statement: "The Bible contains the Word of God."

There is one living and true God who exists in three Persons – Father, Son and Holy Spirit (Matthew 28:19; 2 Corinthians 13:14).

The Father is God (2 Corinthians 8:6), the Son is God (Isaiah 9:6; John 1:1, 14; Hebrews 1:8-10), and the Holy Spirit is God (Acts 5:3-4).

The Lord Jesus Christ was born of a virgin (Isaiah 7:14; Matthew 1:18-25; Luke 1:26-38).

Christ rose bodily from the dead and ascended unto God the Father (Matthew 28; Mark 16; 1 Corinthians 15; Romans 1:4). Christ will return.

First, for the “dead in Christ who will be resurrected bodily; and for those who are alive at His coming”. This resurrection not only precedes His return to earth to reign 1000 years, but also precedes the Tribulation (1 Thessalonians 4:13-18; 5:9).

Then to reign 1000 years on the earth (Revelation 20:1-6; 2 Timothy 2:12).

All men inherit a depraved nature and are lost sinners in need of salvation (Romans 3:9-19; Ephesians 2:1-3).

God has provided salvation through offering His Son on the cross of Calvary, and allowing His BLOOD to be shed to atone for our sins (Romans 3:25; Hebrews 9:22).

We are saved and justified when we recognize ourselves as sinners, and we put our trust in Christ as the Son of God and His finished work on the cross of Calvary. Salvation is by grace through faith plus nothing (Romans 3:24, 4:5; Ephesians 2:8-9).

Once saved we cannot be lost; we are eternally secure in Christ (John 3:16; Philippians 1:6; John 10:27-29; Romans 8:38-39).

We believe that the baptism of the Holy Spirit takes place at the time of conversion and is the act of placing the believer into the body of Christ. The baptism of the Holy Spirit is not a second work of grace, nor is it necessarily manifested by unusual signs such as speaking in tongues (1 Corinthians 12:13; Galatians 3:27).

We should regularly participate at the Lord’s Table (1 Corinthians 11:23-32).

All believers should be baptized by immersion as an act of obedience, but not for securing their salvation (Acts 2:41; 19:4-5; Matthew 28:9-20).

The Bible teaches the eternal punishment of the lost (John 5:28-29; Revelation 20:10, 15; Matthew 25:46).

The grace of God teaches us “to live soberly, righteously, godly” (Titus 2:11-13).

Titus 2:13 – Looking for the blessed hope of His returning for us. Leviticus 18:32

Colossians 3:2-3; 1 John 2:15-17 – Setting our “affection on things above, not on things on the earth”.

2 Corinthians 6:14-18 – Living a life of separation from the world.

We believe in separation “unto God” (Romans 1:1; 2 Corinthians 6:17-18).

## **BIBLICAL MORALITY POLICY**

Humble Christian School (HCS) stands firmly upon the historical truth claims and moral foundations of Christianity. This includes, but is not limited to, the biblical definition of marriage, the attendant boundaries of sexuality and moral conduct, and the clear biblical teaching that gender is both sacred and established by God's design. Parents or the legal guardians, who choose to enroll their children at HCS, are agreeing to support these and other basic biblical values derived from historical Christianity. Parents understand and agree that HCS will teach these principles and biblical values.

In addition, the Board of Directors urges parents to recognize their scriptural responsibility (Deuteronomy 6:1-9, Psalm 78:5, 6, Proverbs 22:6) to provide their children with a Christian education and to understand that the primary responsibility for this task rests with the parents (Ephesians 6:4). HCS was founded and continues to operate upon biblical values and the desire and commitment for Bible-believing Christian parents to enroll their children in an intentionally Christian environment. HCS will accept students who are willing to support the school's philosophy of Christian education, student conduct requirements, and the school's above-stated positions, and whose parents are willing to allow their children to be educated and influenced in an intentionally Christian environment. Continued enrollment at HCS is contingent upon this same understanding and support by both the student and parents.

HCS is a religious institution providing an education in a distinct Christian environment, believing its biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasions in which the atmosphere or conduct within a particular home or the activities of the student are counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a current student. This includes, but is not necessarily limited to, living in, practicing, condoning, or supporting sexual immorality, including but not limited to, sex outside of marriage, homosexual acts, bi-sexual acts; gender identity different than the birth sex chromosomal level; promoting such practices; or otherwise the inability to support the moral principles of the school (Leviticus, 20:13a, Romans 1:27, Matthew 19:4-6).

HCS believes that every person is created in the image of God, that human sexuality reflects that image in terms of intimate love, communication, fellowship, subordination of the self to the larger whole, and fulfillment. God's Word makes use of the marriage relationship as the supreme metaphor for His relationship with His covenant people and for revealing the truth that this relationship is of one God with one people. Therefore, God's plan for human sexuality is that it is to be expressed only in a monogamous lifelong relationship between one man and one woman within the framework of marriage. This is the only relationship that is divinely designed for the birth and rearing of children and is a union made in the sight of God, taking priority over every other human relationship. This is validated by Gen. 1:27-28; 2:18, 20, 23-24; Isa. 54:4-8; 62:5b; Jer. 3:14; Ezek. 16; Hosea 2; Mal. 2:14; Matt. 19:4-6; Mark 10:9; John 2:1-2, 11; 1 Cor. 9:5; Eph. 5:23-32; 1 Tim. 5:14; Heb. 13:4; and Rev. 19:7-8.

HCS believes that humanity's creation in the image of God included the ability to choose between right and wrong. Thus, individuals were made morally responsible for their choices; but since the fall of Adam, people are unable in their own strength to do right. This is due to original sin, which is not simply the following of Adam's example, but rather the corruption of the nature of each mortal, and is reproduced naturally in Adam's descendants. Because of it, humans are very far gone from original righteousness, and by nature are continually inclined to evil. They cannot of themselves even call upon God or exercise faith for salvation. But through Jesus Christ the prevenient grace of

God makes possible what humans in self effort cannot do. It is bestowed freely upon all, enabling all who will to turn and be saved. This is validated by Gen. 6:5; 8:21; Deut. 30:19; Josh. 24:15; 1 Kings 20:40; Ps. 51:5; Isa. 64:6; Jer. 17:9; Mark 7:21-23; Luke 16:15; John 7:17; Rom. 3:10-12; 5:12-21; 1 Cor. 15:22; Eph. 2:1-3; 1 Tim. 2:5; Titus 3:5; Heb. 11:6; and Rev. 22:17.

HCS believes that in order to follow the teachings of the Scriptures regarding marriage and divorce, we must affirm that sexual relationships outside of marriage and sexual relationships between persons of the same sex are immoral and sinful. We further affirm that heterosexual monogamy is God's plan for marriage, and we regard sexual sin of the spouse, such as adultery, homosexual behavior, bestiality or incest, as the only biblical grounds for considering divorce, and then only when appropriate counseling has failed to restore the relationship. HCS abhors the trend to ignore God's laws of chastity and purity, and vigorously opposes public acceptance of sexual promiscuity and all factors and practices which promote it. The school maintains a biblical view of human sexuality that makes the sexual experience, within the framework of marriage, a gift of God to be enjoyed as communion of a man and woman, as well as for the purpose of procreation. Sexual relationships outside of marriage and sexual relationships between persons of the same sex are immoral and sinful. The depth of the sinfulness of homosexual practice is recognized, and yet we believe the grace of God sufficient to overcome both the practice of such activity and the perversion leading to its practice. This is validated by Ex. 20:14, 17; 22:19; Lev. 20:10-16; Matt. 5:32; 19:19; Mark 10:11-12; and Luke 16:18.

Gender differentiation and male/female uniqueness are part of a divine design that God indelibly engraved upon creation. God gives our bodies to us for spiritual and relational purposes, as well as physical ones. It is His desire that the most fundamental distinctions we experience as human beings should remind us that our completeness is ultimately found in communion with Himself and others. For this reason, "The Lord God said, 'It is not good for the man to be alone. I will make a helper suitable for him'" (Genesis 2:18). Personal fulfillment involves intimate fellowship and union with God, as exemplified by the ideal of Christ as the bridegroom and the Church as His bride (Ephesians 5:22-32; Revelation 19:7-9). Based on our biblical and theological study, there is no argument for a "third gender" among humans. Gender confusion and dysphoria are ultimately the biological, psychological, social and spiritual consequences of the human race's fallen condition. This state of depravity affects all persons individually and collectively. While society is at liberty to destigmatize or legitimize any behavior it chooses simply by reclassifying and renaming it, Christ-followers adhere to biblical boundaries. It is our Christian conviction that renaming them cannot normalize sin and its expressions. We call upon biblical Christians to continue to accept their role as witnesses who speak prophetically about the need for repentance and sanctification in every culture.

#### Statement on Marriage, Gender, and Sexuality

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.)

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

We believe that in order to preserve the function and integrity of HCS as a Christian ministry, and to provide a biblical role model to the HCS families, it is imperative that all persons employed by HCS in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thess. 5:22.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of HCS.

### **Final Authority for Matters of Belief and Conduct Statement**

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of HCS's faith, doctrine, practice, policy, and discipline, our Board of Directors is HCS's final interpretive authority on the Bible's meaning and application.

In order to stay vigilant with the current changes of our culture, Humble Christian School wanted to further cover the ideologies of the transgender issue, such as Gender fluidity, preferred pronouns, and gender fluid materials. We also wanted to address physical privacy of Humble Christian School on-campus facilities and how staff should provide a biblical response if any one of these matters should arise.

### **Definition of Gender Fluidity**

Any belief, theory, or ideology that (1) espouses the view that gender is merely a social construct; (2) espouses the view that it is possible for a person to be any gender or no gender (i.e., non-binary); (3) espouses the view that an individual's biological sex should be changed to "match" a gender different from that person's biological sex; and (4) supports hormone therapy or other medical treatments or procedures to temporarily or permanently alter a person's body so that it "matches" a gender different from that person's biological sex.

**Using "Preferred Pronouns"** Humble Christian School staff will not promote, require, or encourage the use of pronoun identifiers for students or any other persons in any manner inconsistent with the Biological Sex of such person. Humble Christian School staff will not ask a student for their "preferred pronouns." Humble Christian School staff will only use pronouns for students which are consistent with the student's Biological Sex.

### **Gender Fluidity Materials**

No course of instruction, unit of study, materials, instructional materials, or any other curricular or extracurricular materials of Gender Fluidity will be used or introduced in any classroom. This prohibition will also include any such materials or instructional materials that a teacher or administrator might seek to provide to any student, including any situation in which a teacher or administrator would allow a student to "borrow" such materials or instructional materials from the staff member's private collection. Any materials or instructional materials adopting, supporting, or

promoting Gender Fluidity, including but not limited to displays, communications, and related signage, is prohibited in Humble Christian School classrooms and, if present, the material will be removed from the classroom setting.

## PRIVACY OF FACILITIES

**Definition of Facilities** - Restrooms, locker rooms, showers, and similar facilities as determined by the Head of School and the Humble Christian School Board of Directors

**Section 1 Overview-** The objectives of this policy are that (1) biological females and males and sex-specific spaces are safeguarded; (2) Humble Christian School facilities, such as bathrooms, locker rooms, and changing facilities are separated by Biological Sex; (3) the pronouns used for persons on campus are consistent with the Biological Sex of the person; (4) Gender Fluidity content is excluded from the classroom and instructional materials; and (5) Humble Christian school staff will not diagnose or treat gender dysphoria but will maintain the biblical standard of male and female. Humble Christian School's ultimate goal is that we develop and raise disciples for Christ and in order to do this, we must promote God's will for His creation and not promote the social transitioning of students. We believe we are called to be salt and light in the earth and we want to stand on the truth of God's word in this matter.

**Section 2 Safeguarding Biological Females and Males and Sex-Specific Spaces-** Biological females and males and sex-specific spaces will be protected to provide students equal opportunity, privacy, and safety.

**Purpose** In light of Humble Christian School's statement of faith, statement on marriage and sexuality, and Student Handbook, and in recognition of personal physical privacy rights and the need to ensure individual safety and maintain school discipline, this policy is enacted to advise members of the Humble Christian School's community of their duties with regard to use of restrooms, locker rooms, showers, and any other Humble Christian School's facilities where individuals may be undressed in the presence of others.

**Definitions of Sex** means the biological condition of being male or female as determined at birth. **Member of the Humble Christian School community** means any Humble Christian School employee, volunteer, student, parent, or visitor.

**Sincerely Held Religious Belief on Sexuality** Humble Christian School's sincerely held religious belief is that God wonderfully and immutably creates each person as either male or female, and that these two distinct, complementary sexes together reflect the image and nature of God (Genesis 1:26–27). Rejection of one's sex is a rejection of the image of God within that person.

**Policy** Notwithstanding any other policy, Humble Christian School restrooms, locker rooms, and showers designated for one sex shall only be used by members of that sex. In any other Humble Christian School facilities or settings where members of the Humble Christian School community may be undressed in the presence of others (e.g., changing costumes during school theatrical productions), Humble Christian School shall provide separate, private areas designated for use by members of the Humble Christian School community based on their sex. Humble Christian School recognizes there may be instances where members of the Humble Christian School community experience disparity between their sex and their feelings about their sex. This disparity can motivate them to behave in ways contrary to God's Word and His plan for their lives. Humble Christian School encourages members of the Humble Christian School community who are struggling with their sexual identity to seek help from their pastor and other trained professionals who might best assist them in clarifying and defining their sexual identity in accordance with God's Word. Humble Christian School will at all times interact with members of the Humble Christian School community according to their sex. A member of the school community who wishes to express a gender other

than his or her sex is understood to be rejecting the truth and the image of God within that person. Biblical Christianity requires the body of Christ to compassionately dwell in the truth and assist those we love in doing the same (Ephesians 4:15).

A member of the Humble Christian School community who openly and unrepentantly rejects their sex, either in or out of school, is rejecting the image of God within that person—behavior that dishonors the Holy Trinity and the Word of God. Such behavior constitutes a person’s failure to adhere to his/her commitment to abide by the behavioral standards established by Humble Christian School which is cause for terminating his/her privilege of membership in the Humble Christian School community. To preserve the function and integrity of Humble Christian School and to provide a biblical role model to members of the Humble Christian School community and the community-at-large, it is imperative that all members of the Humble Christian School community agree to and abide by this policy. Posting copies of this policy shall be provided to all Humble Christian School employees, volunteers, students, and parents.

#### **SANCTITY OF HUMAN LIFE STATEMENT:**

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. (Ps 139.)

#### **MARRIAGE POLICY STATEMENT:**

Because God has ordained marriage and defined it as the covenant relationship between a man, a woman, and Himself, HCS will only recognize marriages between a biological man and <sup>[T]</sup>~~[S&P]~~ a biological woman. Further, the Board of Directors, Administrators, and Staff of HCS shall only participate in weddings and solemnize marriages between one man and one woman. Finally, the facilities and property of HCS shall only host weddings between one man and one woman.

### **GOVERNANCE OF HCS**

#### **Board of Directors**

The School Board oversees the governing of HCS according to established Bylaws, and it formulates and supervises the implementation of school policy. It is responsible for the financial stability of the school by using sound fiscal principles in its operation. Above all, Board members are to be sensitive to the Lord and His direction and are responsible for the spiritual integrity of the school.

#### **Head of School (Administrator)**

HCS is administered by the Head of School who is the chief executive officer and reports directly to the HCS Board of Directors. The faculty and staff work directly under the leadership of the Head of School. The Head of School is responsible for formulating and administering the curriculum; recruiting, supervising, and evaluating faculty and staff; authorizing and monitoring student activities; and aiding parent organizations (PTF, etc.).

### **NON-DISCRIMINATION POLICY**

Humble Christian School admits students of any race, color, gender, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. The organization does not discriminate on the basis of race, color, gender, national or ethnic origin in the administration of its education policies, admission policies, athletic or other school administered programs. The school **does** reserve the right to enroll and maintain enrollment

of students **selectively** to ensure that the student can profit from our program using a Bible-based curriculum.

## **PROBLEM SOLVING GUIDELINES**

It is the desire of the leadership of Humble Christian School to have a school that God can use and bless to the fullest. We do not believe this can happen if there is disharmony among the HCS families. Scripture teaches us that God desires unity for His children. (John 17; I Corinthians 12:12-26; Ephesians 4:1-6, 13)

With a desire to honor the Lord Jesus Christ with our conduct, words, and attitudes, we ask you, as parents, to abide by the following guidelines when a problem arises with a teacher, the administration, or another parent:

- **Pray.** Ask God to give you wisdom concerning the situation, to show you what part you may have in the problem, and that you would learn and grow through this situation (James 1:5).
- **Do not talk** about the conflict to people who cannot correct or solve it, but **do talk** to those who can.

The appropriate steps to take would be:

- Talk to the other person or persons involved, listen to their side of the story and seek understanding.
- If it is not resolved, make an appointment with someone in administration for assistance. (Matthew 18:15-17)

## SCHOOL POLICIES AND PROCEDURES

### ADMISSIONS

Student candidates, except for entering pre-school students, are evaluated on the basis of their character, academics, and behavioral background. Academic evaluation is conducted by reviewing a student's most recent report card, his academic transcripts, and current scores from the previous academic year from a Stanford Achievement Test. If testing is not current, a testing time is established for a candidate to receive an abbreviated portion of the Stanford Achievement Test. A student must achieve a percentile score of 51 or above in total reading and total math for grades 1-12. Entering kindergarten students must be tested using the Gessel Readiness Test. An entering student's developmental age should meet the following criteria:

	Minimal	Preferred
Kindergarten	5.0	5.5
First grade	6.0	6.5
Second grade	7.0	7.5

Students enrolling at the pre-school or kindergarten level must also meet state age requirements. Those entering the 4-year-old program must be four prior to August 1, and students entering the kindergarten program must be five prior to August 1. First grade students should be 6 years old on or before August 1 and have completed a kindergarten program.

To receive a high school diploma, a Senior must meet graduation requirements as listed under Secondary School Classification and must be enrolled at HCS the first day of the second semester of the year of graduation.

Parents must complete an authorization form for permanent records to be sent from schools previously attended. **Parents must provide HCS with current legal documents when custody rights have been established by a court of law.**

A family interview for all new entering families is the last step of admissions. It is at this time that the Administrator seeks to understand whether these families are people of faith and desire their children to be taught within the guidelines of our Statement of Faith. All students need to have a positive attitude to attend HCS. Also, at least one parent must be a born-again Christian believer and have a form signed by their pastor stating their membership to their church.

Acceptance for admission to HCS is subject to availability of class space. The priority enrollment period (the month of February) is reserved for current HCS students and siblings of current students. Open enrollment begins March 1.

The final decision for admission will be made by the Admission Committee. To serve the best interests of the school, the committee reserves the right to deny admission to any student who is evaluated as ineligible because of age, academics, character, behavioral problems, or unacceptable past conduct. Attendance at HCS is a privilege, not a right. Withholding information or the deliberate misrepresentation of information on any document submitted to the school will subject the student to immediate dismissal. The school also reserves the right to withdraw a child if the parents or guardians fail to support the policies, teachers, and administration or if the parents or guardians are uncooperative and/or cause disruption to the school environment or process. This statement applies to all families of HCS.

Humble Christian School's mission is to work in partnership with the home to mold students to be Christ-like. On occasion, the atmosphere or conduct within a particular home may be counter to or in opposition to the Biblical lifestyle that the school teaches. This includes, but is not limited to, sexual immorality, sexual orientation, or inability to support the moral principles and Statement of Faith of the school. In such cases, the school reserves the right to refuse admission to an applicant, or disallow continued enrollment to a currently enrolled student.

Married students will not be admitted to HCS. Students who marry after they begin attending HCS will be asked to withdraw from school.

## Referral for Evaluation Policy

Students who demonstrate difficulty in the areas of academics or behavior, will be observed and evaluated by their teachers, administration, and the guidance counselor. This process is known as the "Pre-Referral Evaluation." Some accommodations may be implemented, if possible, in the best interest of the student. If there is reason to believe that further evaluation is necessary, the student will be referred for a psychological evaluation. This may be performed either by the public school in the school district of the student's residence, or by a private facility. Once the student has been referred for an evaluation, the parents are expected to follow through with the evaluation process in a timely manner (parents must contact the evaluation facility of choice and begin the evaluation process within two weeks of the referral.) Upon completion of the evaluation, it is the parents' responsibility to obtain a copy of the evaluation results and share this with the guidance counselor. The guidance counselor will then schedule a parent/teacher conference to discuss the results of the evaluation, and the recommendations made. Failure to follow through with the referral or evaluation process may result in the dismissal of the student from the school. Because Humble Christian School does not have a special education department, parents may be required to seek additional assistance through either their public school district, or private assistance providers.

## Student Dismissal Policy

Students who violate policies of HCS can/will be dismissed from the school. Reasons for such action include, but are not limited to failure to maintain passing grades, violations of the Student Code of Conduct, contributing to the spiritual or moral decline of other students, falsifying information during the application process, failure to maintain financial commitment, or as deemed necessary for the good of the school.

## **POLICY ACCEPTANCE DOCUMENT/CONTRACT**

A Policy Acceptance Document / Contract is part of the HCS registration packet and is required to be on file for every student. A copy of this document follows for your review and future reference if needed:

### **POLICY ACCEPTANCE DOCUMENT/CONTRACT**

This agreement or contract is between Humble Christian School, hereafter referred to as “the school”, and the parents or legal guardians of the student(s) being enrolled, of which initials and signature appear on this document of understanding, signifying that you have read, understood, and agree to comply with all the school’s policies.

\_\_\_\_\_ 1. I understand that attending the school is a privilege, not a right, and that the school is not a reform school. I understand that the school may refuse enrollment or continued enrollment based on the totality of information given in the enrollment process. I understand that the withholding of information or the deliberate misrepresentation of information on any document submitted to the school will subject my student(s) to immediate dismissal.

\_\_\_\_\_ 2. I understand that Humble Christian School provides an accelerated curriculum, and that all students are expected to meet the program criteria. While minor adjustments may be made for students with disabilities, HCS does not provide special education, curriculum accommodations, or curriculum modifications.

\_\_\_\_\_ 3. I agree to pay all fees and tuition payments when due and to conclude all required payments on or before the last day of the applicable school semester. I understand that tuition may be paid one of two ways: (1) **one annual payment in full** by August 1 with a discount, or (2) **monthly** through the FACTS Tuition Management Plan with no discount. If I choose the monthly option, payments are automatically deducted each month from my checking/savings account or charged to my MasterCard, American Express, or Discover card with a convenience fee. A \$30.00 NSF fee will be charged by FACTS for any payment that does not clear.

\_\_\_\_\_ 4. I understand that it is my responsibility to inform the Business Office if financial problems arise or I need to make other arrangements to keep my account current. I understand that if my account becomes 30 days past due, I have five (5) working days to contact the Business Office and make alternative arrangements to bring my account current. I understand that my student(s) may be excluded from classes until the balance owed is paid or other arrangements have been made. I understand that if my account becomes 60 days past due and I have not made other payment arrangements with the Business Office; my student(s) will be withdrawn from school and will not be allowed to re-enroll until all financial obligations are fulfilled with the school. In the event of such withdrawal, I will have to petition the School Board to have my student(s) reinstated.

\_\_\_\_\_ 5. I understand that checks returned to the school for insufficient funds, closed account, etc. will result in a \$35.00 returned check fee. I will be contacted by the Business Office upon notification of the returned check. I understand that returned checks must be replaced with cash or a cashier’s check within five (5) days of the return notice. I understand that if two (2) checks are returned to the school for any reason during the school year, all future payments must be made by cash or cashier’s check.

\_\_\_\_\_ 6. I understand that if my student(s) is withdrawn from school, I agree to give written notice of the withdrawal, and it will be effective upon delivery to the school. I understand that paid tuition may be refunded on a prorated basis, but there will be no prorating for the month of withdrawal. **No fees** will be refunded (registration, testing, book, lab, etc.). I understand that books, materials, and equipment supplied by the school (including sports uniforms and equipment) remain the property of the school and must be

returned. I understand that **all** school records will be held if any such items remain in my possession or any obligations are owing. Balance of account at the time of withdrawal must be paid **in full**.

\_\_\_\_\_ 7. I understand that school is dismissed at 3:00 pm and that I am responsible for picking up my student(s) at dismissal time or enrolling the students (K4 PM, K5-6<sup>th</sup> grades only) in Extended Care for a charge. I understand that the school is not liable or responsible for any student who remains on campus after hours who is not in an adult supervised activity for Kindergarten through 6<sup>th</sup> grade only.

\_\_\_\_\_ 8. The school sets high Biblical standards for conduct. I understand that my student(s) could be dismissed from the school for activities not consistent with sound Biblical principles such as but not limited to: sexual immorality; use or possession of drugs, alcohol, tobacco, pornography; willful destruction of school property; profanity or obscenity in word or action; weapons on campus; fighting; dishonor to the Holy Trinity and the Word of God; and disrespect to school personnel.

\_\_\_\_\_ 9. I understand that the Administrator of the school and the teachers serving under him / her shall have full discretion in the administration of appropriate discipline for my student(s). My student(s) and I will comply fully with the rules and regulations then in force as stated or amended in the current HCS Parent / Student Handbook. I authorize Humble Christian School to employ such discipline, including corporal punishment, as it seems wise and expedient for my student(s).

\_\_\_\_\_ 10. I understand that Internet use on school property will only be authorized in the appropriate classroom for the appropriate curriculum; any unauthorized or personal use by my student(s) will be grounds for suspension or dismissal.

\_\_\_\_\_ 11. The school believes that a positive and constructive working relationship between the school, student, and the student's parents/guardians is essential to the accomplishment of the school's educational mission. I understand that the school reserves the right to terminate or not renew my student's enrollment contract if the school reasonably concludes that the action of my student and/or his/her parents or guardians, makes a positive or constructive relationship impossible or otherwise interferes with the school's accomplishment of its educational purposes. This takes precedence over any other policy in the Parent / Student Handbook.

\_\_\_\_\_ 12. I give permission for my student(s) to attend any school-sponsored trip, to participate in academic, athletic, and other activities of the school. Any subsequent revocation of this permission must be in writing delivered to the Administrator. Humble Christian School and its representatives intend to take all reasonable precautions with respect to all activities; however, I understand that the participation of my student(s) in school-sponsored field trips involves a certain element of risk. I hereby assume that risk, and I agree to hold Humble Christian School and its employees, instructors, and representatives blameless from any liability unless the occurrence happens because of their gross negligence or willful and wanton behavior. I assume full responsibility for any personal injury that might occur to my student(s) while taking part in a school sponsored trip, and I will absolve Humble Christian School and its employees, instructors, and representatives from all liability concerning any injury.

\_\_\_\_\_ 13. I give permission for my student's photograph (or video), quotes (including media interviews), stories and/or artwork to be used in ways to enhance the profile of Humble Christian School such as for the school website, newsletter, brochures, billboards or other advertising media unless I notify the Administrator in writing of any restrictions I wish to place on such use.

\_\_\_\_\_ 14. I have received and read a copy of the current Humble Christian School Parent Student Handbook. I support the Philosophy, Doctrinal Statement, and the Student Conduct Code contained therein. I accept and will abide by the terms, provisions, obligations, and requirements thereof.

\_\_\_\_\_ 15. The parties to this agreement believe that the Bible commands them to make every effort to live at peace and to resolve disputes with each other in private or within the Christian church (see Matthew 18:15-20; 1 Corinthians 6:1-8). Therefore, the parties agree that any claim or dispute arising from or related

to this agreement shall be settled by biblically-based mediation and, if necessary, legally binding arbitration in accordance with the Rules of Procedure for Christian Conciliation of the Institute for Christian Conciliation, a division of Peacemaker® Ministries. Judgment upon an arbitration decision may be entered in any court otherwise having jurisdiction. The parties understand that these methods shall be the sole remedy for any controversy or claim arising out of this agreement and expressly waive their right to file a lawsuit in any civil court against one another for such disputes, except to enforce an arbitration decision.

Signature of one parent or legal guardian is required.

## FINANCIAL POLICY

We believe tuition payments are an investment in your child's education and religious formation. It is the responsibility of the HCS Board of Directors to form policies concerning the amount of tuition and method of payment, and to insure that adequate financial resources are available for the operation of the school. HCS has financial and contractual agreements with faculty, staff, and vendors, which are made in the spring or summer before the beginning of the school year. These obligations necessitate that families make firm financial commitments to the school.

## TUITION AND FEES

The current Tuition and Fee Schedule determines tuition, fees, and payment terms under HCS' financial agreement. Tuition can be paid one of two ways:

- 1) **One annual payment in full** by August 1 with a 5% discount or by August 15 with no discount.
- 2) **Monthly payments** through the FACTS Tuition Management Plan (with no discount). By choosing the monthly option, payments are automatically deducted on each month from the parent's checking/savings account. A \$30.00 NSF fee will be charged by FACTS for any payment that does not clear. There is a nominal fee to use the FACTS plan. Payments for the 10-month plan begin in August and end in May, and payments for the 12-month plan begin in June and end in May.

If Option 1 is chosen and full payment is not made by August 1, the discount is forfeited, full payment will be done by August 15 or payment must be made through the FACTS payment plan. A new contract must be signed with the monthly option chosen.

All registration and testing fees must accompany the student application. Registration fees are not refundable. If a student is tested for entrance and fails to qualify for admission to HCS, the registration fee will be refunded. If a student is tested for entrance and qualifies for admission to HCS, but the parent(s) decides not to enter the school, the registration fee will **not** be refunded.

Tuition for students registering on or after the first day of school will be prorated over the number of school days they will be enrolled and attending.

Families with more than one student attending HCS will deduct \$300.00 off the annual tuition for the second child, \$400.00 off the annual tuition for the third child and \$1000.00 off the annual tuition for four or more children. All other fees must be paid on the appropriate due date.

## OTHER FEES

Checks returned to the school for insufficient funds, closed account, etc. will result in a \$35.00 returned check fee. The Business Office upon notification of the returned check will contact the family. Returned checks must be replaced with cash or a cashier's check within a five (5) day period of the return notice. If two (2) checks are returned to the school for any reason during the school year, all future payments must be made by cash or cashier's check.

## **DELINQUENT ACCOUNTS**

The Administrator and Board of Directors will work to assist any family that experiences a financial emergency and is temporarily unable to pay; however, it is the parent's responsibility to communicate with the school. Parents who find themselves in financial difficulty are urged to contact the Business Office for alternative payment arrangements before the account becomes delinquent. Delinquent accounts will be handled in the following manner:

- If an account becomes 30 days past due, the parents will be notified that they have five (5) working days to contact the Business Office and make alternative arrangements to bring their account current. Their student(s) may be excluded from classes until the balance owed is paid, or other arrangements have been made.
- If the account becomes 60 days past due, and the parents have NOT made other payment arrangements with the Business Office, their student(s) will be WITHDRAWN from school and will not be allowed to re-enroll until all financial obligations are fulfilled with the school. In the event of such withdrawal, the parents will have to petition the School Board to have their student(s) reinstated.

Official school records, report cards, transcripts, diplomas, etc. will not be released to parents or institutions, and access to RenWeb will be blocked until outstanding items are cleared, and all tuition, fees, and fines are paid.

## **DELINQUENT TUITION FROM PREVIOUS YEARS**

Unpaid tuition from any previous year must be paid in full by August 1 if the student is to be admitted on the first day of class for the new school year. Payments are to be made directly to the school. If any fees or tuition remains unpaid from previous years, parents will not be allowed to register their student(s) for the upcoming school year or receive the early registration discount.

## **AFTER SCHOOL PROGRAM ACCOUNTS**

After School Care accounts are billed weekly, and payment is due upon receipt of the statement. Accounts with a delinquent status can result in termination of the child's enrollment in After School Care unless previous arrangements have been made with the Business Office. It is the PARENT'S responsibility to contact the Business Office to make payment arrangements for delinquent accounts as soon as possible.

## **WITHDRAWALS**

Parents must contact the Registrar to initiate a student's withdrawal. All books, materials, and equipment supplied by the school (including sports uniforms and equipment) must be turned into the school office before a student's records are clear and withdrawal is complete. Any damaged or lost books or equipment must be paid for. HCS will withhold school records for failure to pay outstanding tuition and fees and failure to return books and equipment that are the property of the school.

## **FINANCIAL OBLIGATION UPON WITHDRAWAL**

In the event of a student's withdrawal (written or otherwise), paid tuition for the **month of withdrawal** will not be refunded, but due in full for that month. Any overpayment occurring for the period beyond that month will be refunded. NO FEES OF ANY KIND will be refunded (registration, book, lab, sports, testing, etc.). Families withdrawing students prior to the first day of school will be refunded the entire amount of **tuition only** that has been paid for the current school year.

## **NON-CUSTODIAL PARENTS**

Divorced and separated families are realities of contemporary life that affect HCS' responsibilities to its students. The following guidelines have been adopted to assist the school in situations where a non-custodial parent wishes to become involved in the school-related activities of a child or wishes to have contact with or take custody of the child while that child is at school:

- Ordinarily, the school will not resist or interfere with a non-custodial parent's involvement in school-related affairs or access to the parent's child or the child's records unless the school is presented with a court order or comparable legal document restricting such involvement or access. The school will not otherwise choose sides between parents.
- A non-custodial parent may not take custody of a child or remove the child from school premises unless the parent presents either a written court order or a written authorization signed by the custodial parent permitting such custody.
- If the actions of parents, custodial or non-custodial, become disruptive to the operations of the school, the school has the right to restrict access by such parents and to take other necessary action.
- Concerning student activities that require parental consent, the school will accept consent only from the custodial parent unless authority to grant consent is given to the non-custodial parent by a court order or comparable legal document.

## **ADDRESS/PHONE CHANGES**

Parents must report changes to the school secretary if a student changes their residence, mailing address, or telephone number after enrollment. This is to ensure that records are correct and to notify parents in case of an emergency.

## **MEDICAL REQUIREMENTS**

A tuberculosis-screening test is required if the student has traveled in the past year to Mexico or any other country in Latin America, the Caribbean, Africa, Eastern Europe or Asia for longer than three weeks. The local Health Department may require additional screening in the event of a TB outbreak.

## **Exemptions**

The law allows physicians to write a statement stating that the vaccine(s) required would be medically harmful or injurious to the health and well being of the child; and parents/guardians can choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem).

For children needing medical exemptions, a written statement by the physician should be submitted to the school.

Instructions for the affidavit to be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief can be found at [www.ImmunizeTexas.com](http://www.ImmunizeTexas.com).

Schools should maintain an up-to-date list of students with exemptions, so they can be excluded from attending school if an outbreak occurs.

### **Provisional Enrollment**

All immunizations should be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly, as is medically feasible and provide acceptable evidence of vaccination to the school. A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccine. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance. The school shall exclude the student from school attendance until the required dose is administered.

A student can be enrolled provisionally for no more than 30 days if he/she transfers from one Texas school to another and is awaiting the transfer of the immunization records.

### **Documentation**

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. The month, day, and year that the vaccination was received must be recorded on all school immunization records created or updated after September 1, 1991.

### **ADMINISTERING MEDICATION**

A physician's written order will be required for any prescription medication to be taken for longer than 10 days or any non-prescription medication given for more than 4 times a month. Medication Administration Form is available on our website or in the office. Medication will be administered to students by qualified staff during school hours upon the written request of a parent/guardian.

All medication administered must be kept in the Nurse's office. Students will be required to sign each day when they receive their medication to ensure an accurate account. Students should not be in possession of any medication (prescription or non-prescription) at any time. Failure to follow school guidelines will result in immediate discipline.

### **Original Container**

A properly labeled original prescription container shall be dispensed from a pharmacist and shall contain a clear and legible label with the following information:

- Name and address of the pharmacy
- Name of the patient (student)
- Name of the prescribing practitioner
- Generic or brand name of the drug
- Strength of the drug
- Date the prescription is dispensed
- Instructions for use
- Expiration date of the medication

Note: Please request an extra-labeled bottle from the pharmacist so there is no need for transporting medication from school to home.

### **Inhalers**

Students in grades K-5 will keep their inhalers in the school nurse's office in order to monitor frequency of use. Students in grades 6 – 12 may carry their inhalers to school or school-related events **IF** there is written permission from the parent on file in the nurse's office. It is recommended that an inhaler with spacer be kept at school at all times.

### **Epipens**

It shall be the responsibility of the student's parent or legal guardian to supply HCS with an epipen for anaphylactic reactions. The epipen will be stored in the nurse's office and administered according to the following provision: The parent/ legal guardian gives written permission for its use, releasing HCS from all responsibility involved in its use.

### **Medical Equipment**

Any medical equipment that is needed by a student (i.e. glucose testing, nebulizer tubing etc.) must be provided by the parent or legal guardian and will be kept in the nurse's office. Written instructions for the equipment's use and parental permission are required; both will be kept on file in the nurse's office.

### **Disposition of Medication at the End of the School Year**

All medication and medical equipment is kept in the nurse's office and must be picked up by a parent/legal guardian before the last day of the school year. ALL prescription medication will be destroyed after this date.

**HCS, its Board of Directors, and its employees claim immunity from civil liability from damages or injuries resulting from administering medication to a student.**

## **ILLNESSES**

Students are expected to be kept at home if they are ill. Humble Christian School reserves the right to refuse admittance to a student who is ill or running a fever. **All medication (whether prescription or non-prescription) must be in the original container, labeled with the student's name, the name of the medication, and directions for time and dosage. The parent or legal guardian must give medication to school employees.** Please keep your child home if he has **any** of the following symptoms:

- Sore throat
- Runny nose with a discolored discharge
- Coughing spells
- Vomiting
- Frequent or loose bowel movements
- Conjunctivitis (pink eye)
- Fever with a temperature of 100 degrees or more
- Rash
- Symptoms of a contagious illness
- Head lice infestation

Your student must be fever free for at least **24 hours** without the use of medication before returning to school.

## **Ringworms**

If ringworms are located in the scalp, a doctor's approval will be needed before the student may return to school. All ringworms located on the body will need to be covered at all times while the student is at school.

## **ILLNESS AT SCHOOL**

If a student becomes ill or injured at school, the following guidelines must be followed:

- In a case of critical illness or injury, and a parent cannot be reached, a physician named by the parent will be called and the student taken to the nearest emergency room or to the physician's office.
- Students are to be isolated if they develop symptoms of illness at school. Students suffering injury will be administered first aid if needed.
- The student will be supervised until leaving school. Students who are obviously ill will not be allowed to remain at school.

## **COMMUNICABLE DISEASE**

HCS desires to maintain a healthful school environment by instituting controls designed to prevent the spread of communicable diseases. The term "communicable disease" shall mean an illness that arises as a result of a specific infectious agent that may be transmitted whether directly or indirectly by a susceptible host, infected person, or animal to other persons.

In an effort to protect the health of all children, students and employees who are suffering from a communicable disease will be excluded from school. Readmission to school will be allowed only after the Administrator has been given a written certificate from a physician or a permit issued by the local health authority.

Parents will be expected to notify the school office immediately if their student has a contagious condition so that other parents may be informed.

If the nature of the disease and circumstances warrant, HCS may require an independent physician's examination of the student or employee to verify the diagnosis of a communicable disease. HCS reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

## **INCLEMENT WEATHER PROCEDURE**

If the school is closed, a text blast will be sent from administration and posted on social media to notify the parents. School make-up days will be communicated to families by the school office.

In the event of flooding, storms, or other emergency conditions that occur during the school day, parents may sign their children out earlier than the regular dismissal times. The administration will decide if the absence is excused or unexcused.

## OFFICE HOURS

The school offices will open from 7:15 a.m. to 4:00 p.m. Monday through Friday.

## **STUDENT DRESS CODE** **SET APART AND CHOSEN**

### **GENERAL APPEARANCE**

The heart of the HCS dress code is:

1. Modesty
2. Decent coverage
3. Honors God
4. Not seeking attention for self
5. I attend Humble Christian School

HCS students are required to dress in accordance with the Humble Christian School Dress Code. The uniform dress code is intended to serve as a tool to create an atmosphere free from distraction. It serves to dispense with competition due to outward appearance and affluence; it de-emphasizes outward appearance in favor of inner beauty and character; it serves as an economic measure for parents; it enhances school spirit; and it allows students to demonstrate a submission to authority.

HCS considers it the parents' responsibility to assure that the student comes to school dressed in accordance with the HCS Dress Code. Violations of the Dress Code will be subject to progressive disciplinary action. Minor infractions and first-time violations result in a written note or verbal request to the parents(s) asking for cooperation. Repeated violations may result in additional disciplinary action as determined by the Administrator. Example: clean up duty, school detention, parent conference and suspension. In all disciplinary situations, HCS' goal will be to gain parental cooperation in achieving compliance with the Dress Code.

***Students need to be fully dressed in proper school clothing when they arrive at school. For example, ties should be on, belts on, shirts tucked upon arrival.***

## STUDENT LIFE

### SCHOOL HOURS

8:00 a.m. to 3:00 p.m.

Grades K4-6

8:00 a.m. to 3:20 p.m.

Grades 7-12

### TARDIES TO SCHOOL

Any student who is not in class at the start time is considered tardy. All students reporting late to school should go directly to the front office, sign in and receive a pass.

Classes begin promptly at above times. Habitual tardies are unacceptable! **Three (3) unexcused tardies equal one unexcused absence.** Students are allowed three (3) free tardies each semester. Four to ten (4-10) tardies will result in before school detention. Additional tardies will result in additional disciplinary action.

### ATTENDANCE PHILOSOPHY

School attendance is one other factor most closely related to successful academic accomplishment in school. Students who are absent miss valuable instruction. Parents should strive to have their children in school every day. Perfect attendance should be the norm for HCS students rather than the exception.

### ATTENDANCE REQUIREMENTS

In compliance with the Texas Compulsory School Attendance Law, Humble Christian School requires students in Pre-K through 12<sup>th</sup> grade to be in attendance for 90 percent of the entire period of program of instruction in order to be promoted to the next grade and/or to receive credit for academic course work. Time spent during chapel, class parties, field trips or other types of special events is counted towards school attendance. Students should remain in attendance until school is dismissed for the day.

There are three kinds of absences relating to the school.

#### 1. Excused absences

Absences will be excused in the following instances:

- A death with-in immediate family
- Medical or dental appointments
- Personal illness
- Illness in the family
- Quarantine
- Weather and/or road conditions making travel unsafe or dangerous

**Other unusual circumstances that may be considered by the school.**

**The reason for the absence must be stated in writing and signed by the parent or guardian. A doctor's note is required if the child has been absent for more than 3 consecutive days due to illness. All secondary students must obtain an admittance slip from the receptionist. Make-up work with credit will be given. For each day of excused absence, one day of make-up time is given.**

## 2. Unexcused absences

Result from circumstances other than those defined as excused absences, even if student has permission from parent to be absent from school.

- If a student has more than three (3) days of unexcused absences for the semester, he is in jeopardy of being retained or withdrawn. Make-up work will be required, and zeroes will be recorded, but no credit will be given for the work missed during an unexcused absence. The administration reserves the right to determine whether absences are excused or unexcused. Suspensions are classified as unexcused absences.
- Checking students out of class or school early for convenience is not accepted as an excused absence and will count against perfect attendance.
- Any student absent three (3) or more consecutive days will be required to bring medical documentation stating the date and time of appointment and/ or the nature of the illness.
- Secondary students who arrive 25 minutes or later into a classroom, will be considered absent. If student arrives before 25 minutes, it will be considered tardy.
- For elementary students who arrive at school after 11:00 a.m. or leave school before noon, the attendance will be marked HD (Half Day). Please note that HD will not be considered a perfect attendance.

## 3. Planned absences

There are several steps involved in successful planned absences. The parent must send a form requesting approval of the absence to Administration **one week prior** to the planned absence. These forms are available in the front office.

- All missed work should be turned in before the absence unless agreed upon by individual teachers.
- If teachers allow the work to be made up after the absence, all work is due the day the student returns to school.
- It is the responsibility of the parent and student to initiate this process.
- Any out-of-town planned absence may be arranged following the procedure above.
- Even though absences are planned, students will lose the privilege for exemption from final examinations when the total number of absences exceeds three.
- Multiple planned absences will be monitored by the Administrator and should not extend past compulsory attendance requirements.

**Schools are required by law to inform truant officers of students who are consistently absent. Any student that amasses eight (8) or more absences in one semester may lose credit in that specific course. If a student is denied credit for a course because of excessive absences, the student must appeal to the Board to receive credit. The student must be passing the class to appeal for credit. Every student must be in attendance for 90% of school days.**

**Truancy** is defined as:

- Any absence without the full knowledge and consent of the parent.
- Any absence without school authorization, when under school jurisdiction. Students are under the school's jurisdiction once they arrive on campus.
- Zeros will be recorded for work missed, and disciplinary action will result which may include suspension.

\* A truant officer will be notified if truancy exceeds two per semester.

## **REPORTING PROCEDURES FOR ABSENCES**

- Parents are asked to call or email the school office before 9:00 a.m. to inform the office of their student's absence.
- All students are required to bring a note dated and signed by the parent stating the reason for the absence or parent may email the office. For secondary students, the note is to be taken to the school office on the first day back to school for an admission slip to class. The administration reserves the right to decide if absence is excused.
- If a student fails to bring a signed and dated note from the parent on the first day returning to school, he/she will be allowed one more day to bring the note. If the student fails to do so, the absence will be counted as unexcused and zeros will be recorded for work missed.
- A doctor's note is required after more than three consecutive days of absence.

## **RETURNING TO SCHOOL FOLLOWING ILLNESS**

- The student must be fever-free for 24 hours without medication.
- A doctor's note stating the illness is not contagious is required if absent more than 3 days.
- The student must have no severe coughing.
- Chickenpox – The student may return seven (7) days from the onset of rash, if the sores are dry and child has been fever-free for 24 hours.
- Lice – If a student has been found to have head lice, he/she can return after the hair has been treated and is nit free. The student must be checked at the Nurse's office before returning to the classroom.

## **STUDENT EXTRACURRICULAR ACTIVITIES**

Students in grades 7-12 may participate in interscholastic competitions. The interest and sufficient number of students will determine extracurricular activities. Sixth grade will only be used if there are not enough middle school students to complete the team.

**A student must be in full-day attendance on the day of the activity in which he desires to participate. Scheduled appointments are recognized as excused absences and would not prohibit a student from participating. Extenuating circumstances other than sickness resulting in an excused absence on the day of the extracurricular activity must have administrative permission for participation.**

## **SPIRITUAL LEADERSHIP RETREAT**

All students in grades 9-12 are required to attend this school function. The design is to enhance friendship and fellowship between students and provide them with the opportunity to worship and praise the Lord together as a student body. Since the retreat lasts for three school days, students who fail to attend will receive “unexcused absences”. If medical conditions exist, the Administrator will review the circumstances to determine if the absence will be excused.

## **PERMITS TO LEAVE SCHOOL**

Permits to leave school must be obtained through the Secretary or the Head of School. If a student leaves school without permission, it will be counted as truancy and will normally result in disciplinary measures for student.

## **STUDENT DISMISSAL POLICY FOR HUMBLE CHRISTIAN SCHOOL PROM ACTIVITIES**

Juniors will be allowed to leave at their lunchtime, and seniors will not attend school on the day of the prom or pre-prom activities. If the Prom is held on a Friday, Freshmen and sophomores that have been invited to the prom will be required to attend regular classes for the whole day.

## **GUESTS**

Visitors are allowed only by permission of the Head of School. Advance notice is desired by the school. The Secretary must give a visitor’s pass to all guests. Visitors are not permitted to stay on campus after approved time.

\*Guest during class time is a distraction to the learning environment, therefore, it is discouraged.

## **LATE HOMEWORK/ASSIGNMENTS**

The following consequences are in place for all students who do not turn in their homework/assignments on time. The homework/assignment must be completed to keep the student current with the class work. This privilege will be revoked at the discretion of a teacher for those students who habitually use it (2 times). A student who is absent the period that homework is due and returns to school that same day, will be required to turn in the work for the period absent immediately upon returning to school. Tests or other work assigned prior to an absence will be due the day the student returns to school.

Late one day; 15 points from the grade plus a class infraction.

Late two or more days; 0 on the assignment.

Note: Major long-term projects are to be turned in on the due date even when the student will be absent. This is not treated the same as daily homework assignments.

## **TEXTBOOKS**

Students receive textbooks on loan unless the teacher specifically indicates otherwise. These books are to be kept in good condition. The student or parent(s) will pay for damaged or lost textbooks. Marking or highlighting will not be allowed. Textbooks are to be stored in assigned lockers.

At the beginning of the school year, students will be assigned textbooks, and the students will be held accountable for the condition and location of their textbooks. The condition of the books will

be recorded when first issued and re-evaluated by the teacher when the textbooks are returned to determine if charges should be made.

Students will be charged for lost or damaged books. Some online classes may require student to purchase their own books.

## ACADEMIC GRADING SCALE

Students are not allowed to take courses through home school video or other agencies to avoid specific teachers or classes that are offered at HCS. Any classes that students desire to take off campus must be approved by the Administration. Examples of this situation would be dual credit, remedial classes that students have failed or a class to get a student current for his grade level. Any and all of these classes must have Administration approval.

## **SELECTION OF VALEDICTORIAN AND SALUTATORIAN**

All academic classes will be averaged to determine a student's G.P.A, including Fine Arts. Physical Education credits are not counted for G.P.A. Students will be graded on a 4.0 system for regular classes, 5.0 for honors, and 5.0 for dual credit courses.

Grades will be weighted to figure the average for these two awards. The scale will begin with 4.0 = 100 and will slide up or down with each point. Dual credits from colleges may receive 5.0. Only academic grades that count toward graduation and dual credits will be averaged. A student must be in attendance at Humble Christian High School for at least two full consecutive years (including their entire junior and senior years) to qualify for these honors. Grades from students transferring to HCS will be reviewed and adjusted if necessary to the grading scale at HCS. Students also must be in good standing behaviorally to be selected. THE CUT OFF DATE FOR DETERMINING THE VALEDICTORIAN AND SALUTATORIAN AWARDS WILL BE AT 4<sup>TH</sup> QUARTER PROGRESS REPORTS.

Humble Christian School utilizes the finest Christian curriculum available. Pre-kindergarten thru Kindergarten utilizes the A Beka curriculum. First grade thru sixth grade utilizes the A Beka and Bob Jones curriculum and Shurley English. The early primary curriculum places a strong emphasis on the acquisition of reading skills through phonics. On the secondary levels, we utilize Bob Jones curriculum for History, Science, and Language Arts. For Bible, we use Positive Action. Teachers may also use outside resources in addition to the regular curriculum to add enrichment and depth to the class. The remaining classes are offered through our on-line school. For math, HCS uses McDougal Littell textbook.

## **PROGRESS REPORTS AND REPORT CARDS**

As a means of communication to the parents about the academic progress and conduct of their student, a progress report will be issued via email every 4½ weeks during the 9-week period. Report cards will be sent via email at the end of each term.

## **INCOMPLETE GRADES**

A student receiving an "I" for an incomplete grade on his report card will be allowed additional time to complete his work. If the work is not completed within the appropriate time (a day for a day), a grade of "0" will be assigned to the incomplete work and the nine-week grade will then be calculated. A student receiving an incomplete grade is ineligible for extra-curricular activities until the "I" is removed.

## **COLLEGE VISITS FOR SENIORS AND JUNIORS**

Juniors/Seniors will be permitted two days that will be excused to make college visits. These visits should be made prior to May 1 of the school year. To be sure, absence is excused; the following procedures should be followed:

- Obtain prior permission with a College Visit Request Form from the school office signed by Administrator.

- Present form upon return for verification of visit.
- A note on the visiting college letterhead stating student's name and date of visit signed by the college official will also be needed.
- If documentation is complete, the absence will not count for exemption purposes.

## **TUTORIAL SERVICES**

Full-time faculty members will offer a 30-45 minute free tutoring session on a scheduled afternoon each week. The office or subject teachers may be able to provide a list of additional tutors. Tutoring is mandatory for students who have a "D" or an "F" in any subject.

## **PARENT-TEACHER CONFERENCES**

Parent-teacher conferences may be held during the first nine-weeks to discuss student progress. The parents, the teacher, or the Head of School if necessary, can request additional conferences.

## **GRIEVANCE PROCEDURE**

If a student, parent, or staff member has questions or concerns regarding disciplinary actions by a teacher or the Head of School or the policy under which an action is taken, he/she should follow these guidelines:

- Go directly to the person involved and discuss the matter with the individual.
- If the matter is not resolved in discussion with the other individual, request a joint conference with the teacher and Head of School.
- If the matter cannot be resolved, a hearing before the school board may be requested in writing. The decision reached at this level is final.

## **LIBRARY/MEDIA CENTER**

Students will be responsible for all library books and other media material checked out of the library in their name. A fine of five cents per day is charged for an overdue book until the book is returned or it is determined the book is lost. If a library book is damaged or lost, the student will be expected to pay the full cost to replace the damaged or lost book or other library materials.

## **TECHNOLOGY POLICY**

The continuing importance of technology in our society and its use in education present many exciting opportunities for students and teachers at Humble Christian School. These opportunities bring with them many responsibilities as well. Students must be good stewards of the equipment they use and will be responsible for breakage or tampering of any kind.

### **ONLINE EDUCATION AND COMPUTER LAB ACCEPTABLE USE POLICY**

The purpose of this policy is to ensure that all uses of school technology, network, internet access and resources are consistent with the mission of Humble Christian School.

#### **Purpose:**

Humble Christian School provides computer equipment and internet resources for the sole purpose of education and research. Students may use the school's computer and internet facilities only under the direct supervision of school faculty and staff.

**Network & Internet Use:** Not everything available online is appropriate to the school's mission or its religious and educational programs. The school's network and internet connections are protected by advanced filtering and firewall software to ensure appropriate educational use. Students are **not** permitted to use the school's internet connection for personal use outside what is required for assignments/class.

All communication originating from school property must be free of language and/or content that is vulgar, hateful, demeaning, violent, obscene or otherwise contrary to the school's philosophy and mission.

### **Computer Labs**

Humble Christian provides students with state-of-the-art computer labs. All equipment, software, online accounts and internet-based library resources are the sole property of Humble Christian School.

All 8-12<sup>th</sup> grade students receive logins at the beginning of their first year at Humble Christian. These logins identify students as authorized users of all Humble Christian computers and allow access to network and internet-based resources. Students should not have a presumption of privacy with regards to any material that passes through any computer, laptop, flash drive or any files that reside on Humble Christian servers.

The administration reserves the right to periodically and randomly audit a student's files on any Humble Christian provided equipment or personal flash drives.

Tampering with system files or files belonging to another student or teacher, installing personal software, altering desktop layout, obtaining another student or teacher's login credentials, using another student or teacher's login credentials, or accessing any system without properly identifying yourself will be considered acts of vandalism, and as such are subject to sanctions that apply to any form of theft, including but not limited to, detention, suspension, probation and/or expulsion at the sole discretion of the Head of School.

In the event that a computer user's actions results in damage to equipment, files, operating systems or network resources, the user is fully and solely responsible for the cost of all such repairs. In the event of any legal action taken against Humble Christian High School as a result of the action of a user, including but not limited to copyright infringement, harassment or cyberbullying, the user shall be responsible to pay all legal costs and any and all settlements for damages or court-imposed substantive and/or punitive damages. In the event that the user is a minor, his/her parent(s) or guardian(s) are responsible for all of the above.

### **School Provided Email**

Humble Christian provides 8–12<sup>th</sup> grade students with an individual email address to be used for class purposes. The initiative to provide students with email is expected to help foster better communication between students, teachers and school administration. Students should have no expectation of privacy with regards to school provided email. The administration reserves the right to periodically and randomly audit a student's school provided email to ensure that it is being used for legitimate educational purposes.

Humble Christian shall not assume responsibility in the event of any illegal activities resulting from the use of school provided computer, internet access and email. Questionable material may be turned over to the proper legal authorities as deemed necessary by the school administration.

## **Humble Christian Online/Computer Lab**

Humble Christian provides students with a platform to better promote online learning. Students should have no expectation of privacy with regards to the online learning platform. The administration reserves the right to audit a student's school provided online account to ensure that it is being used for legitimate educational purposes.

Any use for illegal purposes, or in support of illegal activities, is prohibited.

Students are prohibited from using the system to express extreme political views.

Any use that disrupts the educational goals of the school or online learning platform is prohibited.

Any use of a Humble Christian Online network account but the account's owner is prohibited.

Any reproduction of copyrighted material without explicit permission is prohibited.

The posting of inappropriate materials that is deemed inappropriate for educational use is prohibited. Students should report all inappropriate materials and posts directly to a teacher or administrator.

All forms of bullying in cyberspace are unacceptable and viewed as a violation of this Acceptable Use Policy. Cyberbullying includes, but is not limited to, the following misuses of technology: harassment, teasing, intimidating, threatening, or terrorizing another person or group of people by sending or posting inappropriate and hurtful e-mail messages, instant messages, text messages, digital photos, website postings, including blogs or any other messages via the internet.

## **Online Classes Assignments and Grades**

Online classes are provided through FuelEducation. With the parent's permission, a student may withdraw from an online class and enroll in a different online class within 14 days of enrollment in a semester, however, there will be a charge. After 14 days and before 28 days of enrollment, there will be a charge. This covers the additional fees billed to HCS by our online providers. No schedule changes will be allowed after 28 days from the time of enrollment.

At the beginning of each semester, each student is given a pace chart listing all assignments and due dates. Because of the way the grading system is set up for online classes, we are unable to take 15 points off for late assignments; however, assignments that are more than one day late may be given a grade of "0" as indicated in the HCS Policy Manual. Students will be required to go back and read the lessons and the reviews for assignments that have received a "0" grade so that they will be prepared for quizzes and tests, but they will not receive a grade correction.

Because online grades are determined per semester, assignments are weighted differently throughout the semester. The first term and third terms grade will be the student's grade as it has accumulated up to this point (similar to a progress report grade.) The second term and fourth term grades will be their end of the semester grade. This is similar to a college grading system.

## **CORRIDOR/HALL PASSES**

When students are out of class during a class period, they must have authorization from the teacher or a school official in the form of a corridor/hall pass.

## **TELEPHONE USE**

Students may use the student telephone in the main school office on a first-come basis only before school, during lunch, and after school. Permission must be granted from school personnel. If a

student is ill and needs to call a parent, he/she must go to the Nurse first and then to the secretary who will call his/her home.

## **LOST AND FOUND**

Lost articles, including books, clothing, money, valuables, etc., are to be claimed **before or after school only**. All secondary (7<sup>th</sup>-12<sup>th</sup> grades) students need to keep their books in their lockers at all times. Books/backpacks or any other items are not to be left on the floor at any time. Restroom wall hooks for bags with athletic equipment only, no books or other items are to be stored there.

  - Face a solid wall and kneel down with hands over your head.
  - Return to normal activity when “All Clear” is given.

## **SCHOOL LOCKDOWN PROCEDURE**

In the event of an emergency situation, terrorist threats, or dangerous situations, the school will go into “lockdown mode”, which will include locking all doors, windows, and gates. No one will be allowed to enter or leave the building during a lockdown until the threat is passed. Parents will be notified if necessary to pick up their children.

## **CARE OF SCHOOL PROPERTY**

The student is to treat all school property as valuable personal property. Parents or guardians shall be responsible for damage done to the school building, furniture, grounds, lockers, textbooks, or any other property of the school by their student. The Head of School will make the assessment of any such damage and payment for damages made within two weeks of the assessment, or the student will not be permitted to attend class.

## **BUILDING USE**

For all activities outside the regular class schedule, approval must be obtained from the Head of School. No group will be allowed to use any part of the building without a teacher, the Head of

School, or approved school personnel being present. All groups must be careful to maintain the building in good working order and with the same degree of cleanliness in which it was found or better.

## **PARTIES**

All class parties must have the approval of the teacher and Head of School. Teachers must be consulted regarding party activities. If bringing in cup cakes or a cake for a student's birthday, it must be brought in during lunchtime. No food is allowed in the classroom. Parents, please do not hand out invitations for private parties in class.

## **FIELD TRIPS**

A field trip is defined as an off-campus activity or event that is an outgrowth of a course of study. All school rules are in effect on field trips. Prior to departure, students shall obtain assignments for any classes they will miss while on the trip. Students may be denied the privilege of attending field trips because of inappropriate behavior.

Parents should be provided a notice explaining the details of the trip. School dress is the standard uniform for all field trips.

All parent volunteers that assist on field trips through driving and/or chaperoning must sign the HCS Driver/Chaperone Agreement Form and abide by the rules listed below. Chaperone Agreement forms are available in the office. Students are to travel to and from the destination in the same vehicles unless granted permission by the faculty sponsor. Attendance at school field trips is restricted to students currently enrolled at HCS and to those students who are in the designated grade level.

Humble Christian School and its representatives intend to take all reasonable precautions with respect to all activities; however, the parent must understand that the participation of their student(s) in school-sponsored field trips involves a certain element of risk. The parent must assume that risk and agree to hold Humble Christian School and its employees, instructors, and representatives blameless from any liability, unless the occurrence happens because of their gross negligence or willful and wanton behavior. The parent must assume full responsibility for any personal injury that might occur to their student(s) while taking part in a school sponsored trip, and they must absolve Humble Christian School and its employees, instructors, and representatives from all liability in regard to any injury.

## **DRIVERS AND CHAPERONES FOR HCS FIELD TRIPS**

- All traffic laws must be obeyed (including speed limits). Each child must wear a separate seat belt (no double buckling). ***A child passenger safety seat should be used for children younger than eight years of age or under four feet nine inches.***
- Only Christian music or G-rated videos may be played in the vehicle (no talk radio or secular music.)

- Teachers make all travel assignments. Students must travel to and from the destination in the assigned vehicle unless the faculty sponsor gives special permission to change vehicles.
- Students must have Administration approval to drive on field trips.
- Parent drivers must provide a copy of the driver's license and proof of insurance, and fill out the chaperone agreement form.

## **CYBER-BULLYING**

Cyber bullying involves the use of information and communication technologies to support deliberate and hostile behavior by an individual or group that is intended to harm others. This includes, but is not limited to, the use of internet, social networking sites (such as Facebook and Twitter), and cellular telephone to intimidate, harm or ridicule another student. The board, administration and faculty at HCS considers cyber-bullying, regardless of when the act occurs(either during of after normal school hours), to be a direct violation of our Student Code of Conduct. Consequently, any student who supports or participates in any form of cyber-bullying of another student will be subject to disciplinary actions at school, up to and including expulsion from HCS.

## STUDENT BEHAVIOR

### STUDENT CONDUCT

A high standard of conduct is required of each student at HCS for the purpose of maintaining order and building Christ-like character.

Students are expected to:

- Exhibit an attitude of respect toward all individuals and property.
- Speak in such a way as to lift others up (Ephesians 4:29).
- Be honest and trustworthy.
- Be obedient to all rules.
- Be dressed properly.
- Attend all classes daily and be on time.
- Be prepared for each class with the appropriate materials and assignments.
- Turn in assignments on time.
- Bring only teacher-required materials, supplies, and approved personal items to school.

When an offense is committed, reconciliation will be sought in a Biblical manner (Matthew 18).

### CONDUCT EXPECTATIONS

**Students are expected to obey.** Obedience demonstrates proper submission to God and God-ordained parental authority extended by agreement to the school administration and staff. Students are taught to accept responsibility for their behavior by being held accountable by their teachers and Head of School. All students are expected to conduct themselves according to the following guidelines:

- In the classroom, the student shall speak by permission of the teacher. To obtain permission to speak, the student will raise his hand. Students are to listen to the teacher as a sign of respect for authority and listen to other students as a display of courtesy.
- Students may move about the room only by permission of the teacher.
- Students shall refrain from any act of disrespect such as:
  - Mimicking others
  - Laughing at the mistakes of others
  - Back-talking or arguing with any teacher
  - Making facial or non-verbal expressions of disrespect/contempt
  - Whispering and/or passing notes in class
- Failing to pay attention in class or sleeping
- Students are expected to answer all adults with a respectful “Yes Sir”, “Yes Ma’am”, etc. “Yeah” and “Huh?” are unacceptable responses.
- Profane, vulgar, and/or abusive language (such as name-calling) is prohibited.
- The student is not to engage in horseplay to avoid accidental injury, misunderstood intentions, or conflicts. Pushing, shoving, punching, and cutting in line are not allowed.
- Eating and drinking are permitted only in designated areas.
- Fighting will result in disciplinary action. (Exception: self defense)
- The student is to treat the property of the school and others with care. Vandalism and writing on desks, chairs, or walls is not permitted. Property that requires replacement results in higher costs to parents. The offender will reimburse the school.
- Use or possession of drugs, including alcohol and tobacco, is prohibited.

- Although the male/female attraction is understandable, kissing, hugging, holding one another and other public displays of affection are not permitted at school. During school functions, the student is to exercise self-control and demonstrate Biblical love for others by acts of selflessness.
- The following items are prohibited on campus or at any HCS function including field or class trips, sporting events, fund raisers, etc: chemical substances, firearms, knives, any weapons, skateboards or any other items deemed inappropriate by the administration.

## **PHILOSOPHY AND GUIDING PRINCIPLES FOR DISCIPLINE**

The goal of all instruction at HCS is love. We seek to teach students to love God and obey Him out of that love. It is our aim to see HCS students learn to love others with the selflessness of Christ.

### **PHILOSOPHY**

Discipline is inseparably linked with the process of discipleship. The goal of HCS disciplinary procedures is to teach personal responsibility for one's actions, obedience to authority, and dependence on God and His Word. The approach to this goal will be based upon Scriptural principles and will involve a three-step model:

1. **Instruction** of God's commands and right ways of thinking and behaving
2. **Warning** concerning natural and parent/teacher imposed consequences
3. **Correction** of misbehavior

HCS will endeavor to teach what is right and pleasing while keeping correction appropriate and minimal. We will act out of love that seeks the best for the student rather than anger, which seeks only retribution. Teaching students to conduct themselves in a loving and responsible manner is a lasting value and will be considered the highest priority at HCS. (Galatians 6:1-2)

## **BIBLICAL GUIDELINES FOR STUDENT CONDUCT**

### **Respect Authority**

"Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God. Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves. For rules hold no terror to those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right, and he will commend you. For he is God's servant to do you good." (Romans 13:14)

### **Respect and Esteem**

"Consider one another as better than ourselves." (Philippians 2:3)

Protecting the dignity of all students is our aim. Malicious talk can do more harm than physical wounds.

### **Be an Example:**

"Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith, and in purity." (I Timothy 4:12)

### **Seek Excellence:**

"I can do everything through Christ who gives me strength." (Philippians 4:13)

**Be Honest**

“Providing for honest things not only in the sight of the Lord, but also in the sight of man.”  
(II Corinthians 8:21)

**Be Truthful**

“Therefore each of you must put off falsehood and speak truthfully to his neighbor, for we are all members of one body.” (Ephesians 4:25)

**Practice Clean Speech**

“Do not let any unwholesome talk come out of your mouth, but only what is helpful for building others up according to their needs, that it may benefit those who listen.” (Ephesians 4:32)

**Reflect Jesus:**

“Finally, brethren, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is admirable – if anything is excellent or praiseworthy – think about such things.” (Philippians 4:8)

**STUDENT BEHAVIOR**

Discipline is an absolute necessity for any successful organized group. At HCS, the emphasis is on the development of self-discipline and self-direction toward socially desirable ends. External measures will be used only when there is evidence that a student’s internal controls fail and his actions fail to comply with school policies and regulations.

**CORPORAL CORRECTION**

The administration of HCS reserves the right to paddle a student when, in the opinion of the Head of School, it is necessary. A signed Corporal Correction authorization is a necessary part of the enrollment process. Parents may be given the opportunity to administer the corporal correction themselves.

**When paddling is necessary, HCS will proceed according to the following guidelines:**

- The offense will be clearly discussed with the student.
- The Head of School will discuss Scriptural application with the student.
- A reasonable number of firm strokes (not to exceed three) will be administered by the Head of School with a simple, flat paddle.
- A staff witness will be present.
- The student will not be physically restrained. (If he/she refuses to submit to paddling, the parent will be asked to come to the school to discuss the matter; the parent may be asked to withdraw their student.)
- After administering strokes the Head of School will pray with the student, assuring him/her of his/her love.

**HUMAN DIGNITY/HARASSMENT**

HCS intends to provide its students an environment that is free of offensive kinds of behavior. Conduct, whether intentional or not, that subjects another person to unwanted attention, comments, or actions because of race, national origin, age, gender, physical characteristics, or disability is not

permitted. Instead, we expect all persons to treat each other with respect because they are made to reflect God Himself.

- All students are expected to conduct themselves with respect for the dignity of all others.
- We do not condone or allow harassment of others by teachers, administration, support staff, students, or other persons present in our facilities.
- Sexual harassment includes making unwelcome sexual advances, engaging in improper physical contact, making improper sexual comments, or otherwise creating an intimidating, hostile, or offensive learning or work environment. These actions will not be tolerated!
- Any form of ridicule of others based on but not limited to race, gender, physical characteristics, ability, family background, or similar feature is harassment; persons engaging in this misbehavior will be disciplined.
- Any person who believes he or she has been the subject of harassment should report it immediately to an appropriate superior. Students may report to a teacher or Head of School.
- Reports of harassment and subsequent investigations will be handled discreetly to avoid embarrassment of the person making the report or of a person who may be unjustly accused.
- Any person who is determined to have violated this policy will be subject to corrective action and discipline, including the possibility of expulsion.

Steps for handling charges of sexual harassment:

The harassment will be reported to the proper authorities and brought before the School Board. Subsequent action by the School Board will be determined by the outcome of the evidence obtained. If a student is found guilty of sexual harassment, they will be expelled from HCS and will not be allowed to return.

## **JURISDICTION**

HCS has jurisdiction for discipline purposes over its students from the time of arrival from home until departure at the close of the school day. Misconduct during this time becomes a matter of school discipline. Policies and regulations of this school governing the discipline of students apply to all school sponsored activities on and off the school campus.

## **STEPS IN DISCIPLINE**

Listed below are various offenses, grouped by seriousness as well as penalty, including length of detention. If a student is to serve a detention at least one day's prior notice will be given to the student, and the parents will be notified. An excessive number of detentions (5) will result in additional disciplinary action as determined by Administration.

The following steps are in general order of seriousness and are typically followed in this order, depending on the offense:

- Counseling, praying with, and warning students regarding their actions and attitudes
- Means of correction shall be in keeping with the offense. Detention after school is permitted, but parents shall be given a day's notice.
- Communication with parents by telephone or in writing after first offense
- Student referred to the Head of School for corrective action and parent conference
- Saturday class
- Paddling
- Suspension

- Expulsion
- Probation – student may be put on probation after being referred to office 3 times.

## **ELEMENTARY SCHOOL BEHAVIOR MANAGEMENT PROGRAM**

Behavior Management Program is to clearly define to students and parents how student behavior will be handled in the elementary classrooms. The program has built-in rewards and consequences. This is an objective and consistent program that has slight variations at different grade levels allowing for what is appropriate for that age group.

### **CONSEQUENCES**

For each infraction pulled that day, the student will have a “time-out”, missing time from recess or socializing time at lunch. Teachers will counsel the students concerning what they need to improve. The teacher will make contact with the parent verbally, by telephone, by a note, or by a PTC slip in the older elementary grades.

### **STEPS OF DISCIPLINE FOR GRADES K4 THRU 6**

The following steps are to be implemented so that there is consistency between classroom and administrative discipline. These steps are to be used after the teacher has implemented their classroom discipline. When a discipline form is sent home, the student is required to have the parent sign and return the form the following day.

- Send home communication sheet listing the student’s offense and steps the teacher/Head of School have taken.
- Send home communication sheet stating the time that the teacher/Head of School will be calling in the evening.
- Send home communication sheet stating the date and time of the parent/teacher/student conference.
- Send home communication sheet stating the date and time of the parent/student/Head of School conference.
- Detention Hall may be added.

At any time the offense is serious enough the above steps may be altered. At the Administrator’s discretion, conduct probation may be established at any time between steps 3 and 4. If unacceptable conduct is persistent or serious enough, suspension or expulsion can occur. See excessive/persistent behavior-conduct section.

## **PROBATION**

A student who is not performing according to the guidelines set forth in the Conduct Expectations portion of this handbook may be placed on conduct probation as a means of discipline by the Head of School. Probation indicates that a student's behavior is so improper that a majority of his teachers recommend probation. Probation is not to exceed 4 ½ weeks. At the end of the probationary period, the student's conduct will be re-evaluated.

A consistently rebellious attitude toward the faculty, school rules and procedures, or a continuously negative attitude and bad influence on other students may result in dismissal from school. A student on probation due to misconduct is ineligible to play in or practice for any extracurricular activities. If the conduct is not corrected, the student will be asked to voluntarily withdraw or be expelled.

A student who is not making sufficient progress academically due to low grades, not turning in homework on time, or obviously working below his ability will be placed on academic probation. A student will be placed on academic probation if he makes at least **2 D's** or **1 F** in any nine-week grading period. If the grades and work habits are not significantly improved by the end of the next grading period, the student may be asked to voluntarily withdraw or be expelled. It is hoped that probation is sufficient notice to the student and his parents that a serious problem exists requiring correction.

When all disciplinary actions taken by the teacher are ineffective, with documentation the student may be considered for probation. Probation gives the student time to improve to a satisfactory level.

1. The Head of School must complete a Probation Form.
  - If the Head of School determines that probation is required, a conference will be held with the student and parent/guardian to explain what improvements in behavior are necessary and to outline the terms of the probation.
  - If the notification to the parent is verbal, it should immediately be followed by written notification.
  - Disciplinary probation extends through the end of the nine weeks in which it occurs but not longer than 4½ weeks.

- While on probation, a student will be excluded from school-sponsored extra-curricular activities and all positions of trust and responsibility.
- Weekly progress reports on the student in grades K-12 will be issued by the teacher. Copies of progress reports will be sent to the parents.
- At the end of the probationary period, a conference will be held. All decisions will be issued orally and in writing.
- The decision of the Head of School with regard to probation is final.
- Any student who is on disciplinary probation for twelve weeks in one year is subject to dismissal. He/She may not be readmitted the following year, depending on the decision of the Head of School.

## **EXCESSIVE/PERSISTENT BEHAVIOR-CONDUCT**

If a student incurs excessive or persistent violations of HCS policies, he/she will not be allowed to continue their education at HCS. After a student has been sent to the office for disciplinary reasons for the 4<sup>th</sup> violation, the student and parent will be notified of the excessive/persistent behavior violations. On the 5<sup>th</sup> violation, the student will receive a 1 day suspension, plus whatever level discipline the behavior requires. The 6<sup>th</sup> violation will result in 2-day suspension, plus whatever level discipline the behavior requires. Additional violations may result in the student being expelled or asked to withdraw.

Teachers cannot teach and students cannot learn if students refuse to obey and follow classroom rules and procedures. It is our hope that students will use good judgment, self-discipline, and obedience to the policies of HCS, so that none of these actions must be taken.

## **SUSPENSION AND EXPULSION**

The suspension or expulsion of a student is a very serious matter and must be handled in a way that guarantees due process to the student.

## **RULES OF PROCEDURE**

- Student Notification
  - A student whose conduct has been such that severe disciplinary action results must be told exactly what the breach of conduct has been. If a specific rule or regulation has been disobeyed, the rule or regulation should be stated prior to suspension or expulsion. If the student denies the allegations against him, he shall be given an opportunity to explain his version of the incident before the suspension or expulsion is effective. The Head of School shall verify the facts.
- Decision to Suspend or Expel
  - The classroom teacher may recommend suspension, but only the Head of School, after determining that suspension is required, may order a student suspended for a period of time not more than 3 days.
  - The recommendation to expel a student shall be made by the Head of School. The decision to expel is the sole responsibility of the School Board.

- Parent Notification
  - In the event that the School Board determines there is probable cause that a student should be expelled, the parents must be notified in writing of the exact nature of the offense charged. A written notice of expulsion shall further advise the parents of the opportunity for a hearing. If the parents desire a hearing, they shall so notify the Head of School in writing within three days of the decision to expel, and a hearing shall be held as soon as possible, but no more than five (5) days thereafter. While awaiting the hearing, the student will be suspended from school and school activities.
- Emergency Situation
  - In emergency situations when the student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process, the student may be immediately removed from school. The necessary charges should follow.
- Hearing Process
  - For Suspension: The hearing will be before the Head of School. At the hearing, or shortly thereafter, the Head of School will make a decision. If notification to the parent/guardian is verbal, it should immediately be followed by written notification. Copies of all information should be sent to the School Board. The decision of the Head of School is final.
  - For Expulsion: The hearing will be before the School Board. Their decision will be final.

## **SPECIAL INFORMATION**

Suspension shall last one-half to three days. Students on suspension will not be allowed to participate in any school-related events during suspension. Three suspensions will create grounds for expulsion.

## **VOLUNTARY WITHDRAWAL**

Parents may be asked by the Head of School to voluntarily withdraw a student if it is determined by the school that the student is demonstrating he is not eligible to continue attending for reasons of misconduct, attitude, or a sustained failure to put forth academic effort. Voluntary withdrawal versus expulsion is usually more favorable to the student. It generally makes enrollment in another school easier.
