

Referral Policy

Humble Christian School offers a \$100 referral tuition credit for each new family that is accepted and enrolls in Humble Christian School for at least 30 days. The following guidelines will apply:

- Referred must be a new family that has never applied, has been previously enrolled, or is currently enrolled at Humble Christian School.
- Referral name must be included on the application.
- Referral tuition credit is given per family, not per child. Only one referral tuition credit per new family will be given. Multiple families cannot receive credit for the same referral.
- There is no limit to the number of referral tuition credits that can be received. A family will receive the \$100 tuition credit for each new family that they refer and is accepted and enrolled at Humble Christian School for at least 30 days.
- Current and newly enrolled families of Humble Christian School are eligible to receive referral tuition credit.
- Individuals who do not have a child enrolled in Humble Christian School are eligible to receive a referral \$50 gift card.
- Referral tuition credit will only apply to school tuition for the school year in which the referred student is accepted and enrolled.
